

Believe in Love

W. Mitchell T. Owens III, CCC Composer in Residence

You are my friend when I'm in need,
And the whole world is weighing on me.
You give me love so I can see,
There is more we can achieve if we just believe in love.

When I am down and all alone,
You showed me what it means to have hope.
You are my light when I can't see,
That there is more we can achieve if we just believe in love.

The power is ours to make this world better.
There is no greater hour to get ourselves together.
We can't do it alone, that's why we sing this song.
There is more we can achieve if we just believe in love.

Believe in love. (*Repeat 8 times*)

There's so much that we can do, if our hearts stay true to love!
Believe in love. Believe in love. Believe in love. Believe in love.
There's so much that we can do, if our hearts stay true to love!
Believe in love. Believe in love. Believe in love. Believe in love.

We have power. It's in our hands.
We lift our voices and take our stance.
So, live with hope. We have a chance
to make a difference if we believe in love!

There's so much that we can do, if our hearts stay true to love! Believe in
love. Believe in love. Believe in love. Believe in love.
There's so much that we can do, if our hearts stay true to love! Believe in
love. Believe in love.
Believe in love. Believe in love. Believe in love. Believe in love!
